

Dear AHCCCS Member:

AARP and AHCCCS are working together to improve the healthcare of individuals with both AHCCCS and Medicare coverage. But we need your help. We want to hear from you directly because you have both AHCCCS and Medicare coverage. Your experience and opinions are important to us.

Please help us by sharing your experience at one of the events below. You do not need to be a member of AARP to participate. Light refreshments will be provided. You can bring a family member or representative with you. Please know that we will not record your name, just your opinions.
