

FORMULARY UPDATES

January 8, 2015

Dear Practitioners and Office Staff:

Formulary updates for Care1st (Acute and DDD) have recently been approved by our Pharmacy and Therapeutics Committee and are effective February 1, 2014. You can access summaries of the changes on our website using the instructions below.

To access these documents:

1. Go to www.care1st.com/az
2. Click on Care1st
3. Click on the “Providers” link
4. Click on “Formulary” in the menu under the “Providers” link
5. Click on Summary of Changes (Effective February 1, 2014)

If you do not have access to the internet and need a hard copy of these documents, please contact Provider Network Operations at the number below.

Thank you!
