

## 2015 FLU & ADULT VACCINE UPDATE

October 16, 2015

Page 1 of 1

Dear Care1st and ONECare Providers and Staff:

### Flu Vaccines

Care1st members may obtain flu vaccines as follows:

Member Age	Location
6 months – 20 years of age	PCP only
21 years of age and older	PCP or contracted pharmacy (Script <b><i>IS NOT</i></b> required)

We want to remind our Care1st PCPs that children under the age of 19 years must receive the influenza vaccine through the Vaccines for Children (VFC) program.

ONECare members may obtain flu vaccines as follows:

Member Age	Location
All ages	PCP or contracted pharmacy (Script <b><i>IS NOT</i></b> required)

To locate a contracted pharmacy visit our website at [www.care1st.com/az](http://www.care1st.com/az).

### Adult Immunizations

As a reminder, Adult Immunizations are covered as appropriate for age, history and health risk as recommended by the Centers for Disease Control and Prevention (CDC). The current Adult Immunization Schedule can be found on our website at [www.care1st.com/az](http://www.care1st.com/az) > Care1st > Provider > Practice and Preventive Health Guidelines.

Please contact Provider Network Operations at the numbers below with any questions.

*Thank You!*
