

KIDSCARE APPLICATIONS ARE NOW BEING ACCEPTED!

July 27, 2016

Dear Care1st Providers and Billing Staff:

KidsCare is an affordable option for medical insurance for children of working families. Families across Arizona who earn too much to qualify for the Arizona Health Care Cost Containment System (AHCCCS), yet cannot afford the cost of private health insurance, may now apply for low or no-cost coverage through KidsCare. KidsCare is tailored specifically to the needs of Arizona children, some 30,000 of whom may be eligible, according to AHCCCS.

Enrollment will be ongoing, and families can apply one of two ways:

- 1) Apply through AHCCCS at the following link:
<https://www.healtharizonaplus.gov/Default/Default.aspx>
- 2) Schedule an appointment for free professional help close to home by:
 - a. Calling 800.377.3536 or
 - b. Visiting www.CoverAZ.org/connector

The earliest coverage begins for KidsCare is September 1, 2016.
