Dear Care1st Dental Providers:

We're excited to notify you that the Care1st Dental Incentive Program, designed to reward the efforts of dentists who place a priority on prevention of dental disease in children, will continue for Contract Year 2017, i.e. 10/1/16-9/30/17. For dates of service 10/1/15-current, we have paid out more than **\$115,000** in incentive payments for **7,770 members**.

The Incentive Program's goal is to increase utilization of select services by AHCCCS patients under age 21 that are identified in the **Services Required** Report available via Advantica's Secure Provider Portal at www.advanticabenefits.com > Providers > Provider Login > Care1st Incentive Report.

Beginning in November, the Services Required Report will list the Care1st members assigned to your practice that have not yet received a preventive care visit during the contract year, i.e. 10/1/16-9/30/17. The members listed are eligible for an incentive program payment should they complete a qualifying visit at your practice.

Registered dentists are eligible to earn a financial incentive payment of **\$15** per patient whose treatment includes at least one dental procedure listed in the Eligible Program Services section on page 2 of this letter.

The Care1st Dental Incentive Program is limited to one incentive payment per patient, regardless of treating dentist. Eligible dental services must be rendered between 10/1/16 and 9/30/17. Patients are required to receive treatment from their assigned AHCCCS dentist, with the exception of group practices where the dentists share the same Tax Identification Number.

If you have not already registered for the Care1st Dental Incentive Program, please complete the Provider Registration Section of this letter and email or fax it to Advantica ASAP. Within two business days, a program confirmation message will be sent to your office email address if provided or by fax.

***Please Note: Practices currently enrolled in the Care1st Dental Incentive Program will remain enrolled for contract year 2017 and do **not** need to complete the registration process again.*

Instructions:

1. Complete the registration process outlined on page 1 of this communication. Practices currently enrolled do not need to register for Contract Year 2017.
2. Outreach to those patients identified on your Care1st Services Required Report available via Advantica’s Secure Provider Portal at www.advanticabenefits.com > Providers > Provider Login > Care1st Incentive Report.
3. To obtain a login or receive assistance with navigation using your login, contact Provider Network Operations at 602.778.1800 (Options in order: 5, 7) or contact Advantica at 800.429.0495. Our team is ready to help! Or register online through the Advantica website www.advanticabenefits.com. Click on the Provider Tab at the top of the page and then click on the Provider Registration link:

Instructions (Continued):

4. Complete one of the qualifying service(s) identified above according to the Clinical Guidelines.
5. Submit your claim to Advantica as you do today. Preferably via EDI!
6. Advantica will process your claim as they do today. The incentive payment will be reflected on your remittance advice as 00020.
7. 1 incentive payment per patient, regardless of treating dentist.
8. Eligible dental services must be rendered between 10/1/16 and 9/30/17.
9. Although members may see any contracted Care1st dentist and the dentist may be reimbursed for covered services when the member is not assigned to them, the incentive will only be paid when a member receives treatment from their assigned AHCCCS dentist with the exception of group practices where the dentists share the same Tax Identification Number.
