

Cultural Competency Conference

Connecting to Care

Embracing diversity

Join us for a sharing of best practices to create a culture of inclusion and respect for our diverse members and your patients. Why is cultural respect important? Cultural respect is critical to reducing health disparities and improving access to care. Join us for a morning of sharing best practices, lively discussion, networking and giveaways.

Phoenix, AZ 85042

About Keynote Presenter

Sala S. Webb, MD, FAPA is the Children’s Medical Director at Mercy Maricopa Integrated Care, where she oversees the psychiatric utilization of the under 18 Medicaid recipients in the Phoenix metro area. Before relocating to Arizona, she was a psychiatric consultant to the United States Army Medical Department European Regional Medical Command in Bavaria, Germany. Dr. Webb held a prior appointment as Associate Professor of Psychiatry at the Virginia Commonwealth University. There, she was the Medical Director of Ambulatory Services for the Virginia Treatment Center for Children; as well as a consultant to the Virginia Department of Juvenile Justice. She enjoys working with special populations such as military children, incarcerated youth and the pediatric medically ill. Other interests include global health, culture and diversity, and prevention efforts in mental health. Originally from Trinidad and Tobago, Dr. Webb is board certified in both General and Child & Adolescent Psychiatry and serves on the national Diversity & Culture Committee of the American Academy of Child and Adolescent Psychiatry. Her most recent chapter “Schizophrenia” in AM Breland-Noble, CS Al-Mateen, NN Singh, eds. Handbook of Mental Health in African American Youth, was published by Springer in January 2016.
