

REDUCING DENIALS BILLING EDUCATION TOOL

October 9, 2017

Dear Care1st Providers, Office Staff & Billing Staff:

The Care1st Provider Billing Education Tool was created for you and provides billing tips and reminders to reduce denials and resubmissions so you get paid faster! We hope you like it and appreciate your feedback on this tool or topics you would like to see in the future.

Our May billing education tool is focused on tips for billing the appropriate member ID and also includes tips to reduce denials based on our top 5 denial reasons.

To access the educational tool, go to www.care1stAZ.com/ > Care1st > Providers > Mailings & Reference Materials.

If you have questions when reviewing the updates, please use the information below to contact us. Also, if you have any suggestions for future billing education topics, please contact the Claims Provider Liaison at 602-778-1877.

Thank you!
