

BLOOD GLUCOSE METER & TEST STRIP UPDATE

EFFECTIVE JANUARY 1, 2018

December 18, 2017

Dear Care1st and ONECare Providers and Staff:

Care1st & ONECare have selected the following OneTouch products to be the exclusive glucose meters and test strips available to Care1st & ONECare members with diabetes effective January 1, 2018:

- OneTouch[®] Verio[®]
- OneTouch[®] Verio IQ[®]
- OneTouch[®] Verio Sync[®]
- OneTouch[®] Ultra[®] 2
- OneTouch[®] Ultramini[®]

After December 31, 2017, only the above products will be covered by Care1st & ONECare. In collaboration with OneTouch[®], we have launched an educational campaign to ensure a smooth transition of the glucose meters and test strips. Care1st & ONECare encourage you to use every opportunity prior to the January implementation date to issue new prescriptions for the OneTouch products listed above.

If a Care1st or ONECare member will need a glucose meter on or after January 1, 2018, please direct them to OneTouch[®] at 1-800-789-7022 and provide order code 738WEL001 or www.OneTouch.orderpoints.com and input order code 738WEL001 so they can receive a free meter.

Additional product information is available from OneTouch[®] Care Service at 1-888-567-3003 or online at www.onetouch.com.

You may receive calls from patients or pharmacies requesting a prescription change to the OneTouch[®] products. If you receive calls please approve the change. As mentioned above, beginning January 1, 2018 only these OneTouch[®] products will be covered.

Thank you for your support during this transition. If you have any questions, please do not hesitate to call our Pharmacy Line at 1-866-570-4042 (Options in order: 5, 5).

Thank you!
