**National AHEC Organization's Upcoming Webinar:
"How HPV Causes Cancer and Why it Still Matters"
Thursday, February 15th at 3 pm EST**

Dear Care1st Providers and Staff:

The **National AHEC Association** is hosting a webinar on HPV as part of their **HPV Immunization Project** on February 15th 3 – 4p.m.

Presented by: Dr. Peter Angeletti, Associate Professor, University of Nebraska-Lincoln, Nebraska Center for Virology, School of Biological Sciences. Topics include:

- ▶ The biology of HPV and its infection
- ▶ How the virus replicates and hides from the immune system
- ▶ How HPV causes cancer
- ▶ Evidence of different manifestations of HPV-related dysplasia
- ▶ Rationale for adopting an effective HPV vaccination strategy
- ▶ Efficacy evidence of the current vaccine
- ▶ CME/CE credits pending!
