

UPDATES TO PRIOR AUTHORIZATION GUIDELINES
Effective August 6, 2018

July 6, 2018

Dear Care1st and ONECare Providers and Staff:

Please note the following changes effective 8/6/2018 to the Prior Authorization guidelines.

- The **Specialists** section on Page 3 was modified to remove the prior authorization requirement for Dermatology and Podiatry. Please reference attachments for procedures that require prior authorization.
- Attachment III: In-Office Procedure Codes Requiring Authorization refreshed with multiple additions.
- Attachment III: The code description was removed to allow for quicker navigation.

The updated Guidelines are available at www.care1staz.com in the following location:
Care1st > Providers > Prior Authorization Guidelines and Criteria

Thank you!
