

REDUCING DENIALS BILLING EDUCATION TOOL

September 11, 2018

Dear Care1st Providers, Office Staff & Billing Staff:

The Billers' Corner was created for you and provides tips so you get paid faster! We hope you like it and appreciate your feedback on this tool or topics you would like to see in the future.

Our April Billers' Corner is focused on our top denial reason: Primary Insurance on file – bill primary insurance carrier and contains helpful information for your practice to reduce denials for this reason. Tips on reducing denials for all of the top 5 denial reasons is also included.

To access the educational tool, go to www.care1stAZ.com/ > Care1st > Providers > Mailings & Reference Materials.

If you have questions when reviewing the update, please use the information below to contact us. Also, if you have any suggestions for future billing education topics, please contact the Claims Provider Liaison at 602-778-1877.

Thank you!
