

IMPORTANT INFORMATION: RADIOLOGY SERVICES PRESCOTT/PRESCOTT VALLEY AREA

December 13, 2018

Dear Care1st and ONECare Providers and Staff:

Care1st contracts with SimonMed Imaging for Radiology services. Providers are encouraged to refer radiology services such as X-rays, Mammograms, MRIs and other radiology services directly to SimonMed. A complete list of the modalities provided by the Prescott and Prescott Valley locations can be found on SimonMed's website, <https://www.simonmed.com/locations>, and on the Care1st Radiology Grid.

The Care1st Radiology Grid is available at www.care1staz.com > Providers > Our Network > Radiology Providers.

Please direct members to a contracted area hospital for radiology services ***not*** available at SimonMed Imaging.

Please contact Network Management using the information below with any questions.

Thank you!
