

IMPORTANT INFORMATION: RADIOLOGY SERVICES PRESCOTT/PRESCOTT VALLEY AREA

March 7, 2019

Dear Care1st and WellCare Providers and Staff:

Care1st/WellCare contracts with Yavapai Regional Medical Center and SimonMed Imaging for Radiology services. Providers are encouraged to refer radiology services such as X-rays, Mammograms, MRIs and other radiology services directly to these facilities. A complete list of the modalities provided by the Prescott and Prescott Valley locations can be found on the Care1st Radiology Grid.

The Care1st Radiology Grid is available at www.care1staz.com > Providers > Our Network > Radiology Providers.

Please contact Network Management using the information below with any questions.

Thank you!
