

***Care1st is pleased to share the following offer from ARMA –
The Arizona Medical Association
You will need to act fast – deadline for requests is WEDNESDAY
NOVEMBER 4th!***

In partnership with the Maricopa County Department of Health, the Arizona Medical Association (ArMA) is pleased to offer **FREE PPE** to any physician who needs it throughout the state. We will be distributing NIOSH N95 masks, 3-ply disposable masks, and Nitrile gloves, **free of charge**.

Please visit <https://www.surveymonkey.com/r/HLVKNGB> to apply for medical grade equipment.

All PPE can be picked up in Flagstaff, Phoenix, or Tucson beginning the week of November 9th. For those that live in other parts of the state and don't want to drive to one of those three locations, please consider reaching out to your local county health department to request free PPE.

We will collect PPE requests through Wednesday, **November 4, 2020 at 5:00 pm**. You will receive an email on Thursday with the items and quantity allocated to you as well as pick up instructions.

Please send questions by email to Blaine King, ArMA's Development Events Specialist at bking@AZmed.org. For questions on the day of pickup, please call 602-347-6921.

There is **no charge for these supplies**, but donations are gratefully accepted. Kindly consider dropping off a check if so inclined at the time of pickup. Checks can be made payable to the Arizona Medical Association.
